## EDUCATION

### Bachelor Of Technology(CSE) Lovely Professional University

06/2016 - 08/2020

Jalandhar, India

### Intermediate(BIEAP) Siddharatha Junior Collage

06/2014 - 06/2016

Guntur, India

## PERSONAL PROJECTS

### Fitness App (02/2020 - 06/2020)

- Objective: Main Objective is to build application by using Android App Application.
- We created login/signup register I used firebase for user authentication and firebase data.
- We build several API to build the application.
- We created a several modules to fetch the data of the application like the Fitness Goal ,Calories Count, Calories Burnt, Diet plan and exercises.

### Netflix Clone

- Objective : Main Objective is to build OTT platform for entertainment.
- Worked on Project using React JS to fetch data from TMDb API, and to display various categories of movies, user can watch trailer for particular movie by signing up , where user credentials managed by firebase authentication.
- Outcome : Built user friendly website with robust Java script libraries like Redux, axios and react-router-dom etc.

### E-Commerce Website

- Objective: Main Objective is to build web pages using React JS library.
- Web pages built with components where users can able to see and search for products, user need to signup in order to select products to cart, I used firebase for user authentication and firebase database to extract user data and products.
- Outcome: managing Client side routing and building scalable and efficient website.

## SKILLS

C C++ Android App Development Java  
Market Analysis Business Development  
Excel HTML

## ACHIEVEMENTS

### Marathon Competition (03/2017)

Awarded 2nd prize in marathon Competition.

### Cricket Championship (05/2018)

Awarded prize

### Blood Donation Camp (2019)

Conducted a blood donation camp in our campus.

## CERTIFICATES

### Programming in Java (2021)

This course for Java programmers in this we going to learn the exception handling and their examples.
